HEAD WELDING MACHINE – MODEL TRS 1

WELDING DIAMETER from 2 to 8 mm

ELECTRIC TRANSFORMER from 6.5 KVA 400 V- 50 Hz

DEMO IMAGE

CURRENT SELECTOR adjustable depending on diameter to weld
LOCKING DEVICE of wire through springs driven terminals, with pedal control
THRUST DEVICE with manual lever activated adjustable spring
EMERY GRINDING WHEEL for welding line cleaning
PLEXIGLAS PROTECTIONS for welding and grinding, as per CE specifications
TROLLEY with 2 fixed and 2 swivel wheels
INSTALLATION AND OPERATION MANUAL included, Italian language or English

WARRANTY 12 months from delivery and covering repair and replacement of defective parts, including skilled technician labour. Warranty DOES NOT cover travel expenses, board and lodging of technician.

SALDATRICE DI TESTA MODELLO TRS 1R

DIAMETRO di saldatura da 2 a 10 mm.

TRASFORMATORE di corrente da 8.5 KVA 400 V - 50Hz

DEMO IMAGE

CURRENT SELECTOR adjustable depending on diameter to weld
LOCKING DEVICE of wire through springs driven terminals, with pedal control
THRUST DEVICE with manual lever activated adjustable spring
EMERY GRINDING WHEEL for welding line cleaning
PLEXIGLAS PROTECTIONS for welding and grinding, as per CE specifications
TROLLEY with 2 fixed and 2 swivel wheels
INSTALLATION AND OPERATION MANUAL included, Italian language or English

WARRANTY 12 months from delivery and covering repair and replacement of defective parts, including skilled technician labour. Warranty DOES NOT cover travel expenses, board and lodging of technician.

HEAD WELDING MACHINE – MODEL TRS 2

WELDING DIAMETER from 4 to 14 mm

ELECTRIC TRANSFORMER from 14 KVA 400 V- 50 Hz

DEMO IMAGE

CURRENT SELECTOR adjustable depending on diameter to weld
LOCKING DEVICE of wire through springs driven terminals, with pedal control
THRUST DEVICE with manual lever activated adjustable spring
EMERY GRINDING WHEEL for welding line cleaning
SIDE CUTTING VICES SYSTEM only for TRS 2CT model
PLEXIGLAS PROTECTIONS for welding and grinding, as per CE specifications
TROLLEY with 2 fixed and 2 swivel wheels
INSTALLATION AND OPERATION MANUAL included, Italian language or English

WARRANTY 12 months from delivery and covering repair and replacement of defective parts, including skilled technician labour. Warranty DOES NOT cover travel expenses, board and lodging of technician

HEAD WELDING MACHINE MODEL TRS 2 R

WELDING DIAMETER from 4 to 16 mm

ELECTRIC TRANSFORMER from 16 KVA 400 V- 50 Hz

DEMO IMAGE

CURRENT SELECTOR adjustable depending on diameter to weld
LOCKING DEVICE of wire through springs driven terminals, with pedal control
THRUST DEVICE with manual lever activated adjustable spring
EMERY GRINDING WHEEL for welding line cleaning
PLEXIGLAS PROTECTIONS for welding and grinding, as per CE specifications
TROLLEY with 2 fixed and 2 swivel wheels
INSTALLATION AND OPERATION MANUAL included, Italian language or English

WARRANTY 12 months from delivery and covering repair and replacement of defective parts, including skilled technician labour. Warranty DOES NOT cover travel expenses, board and lodging of technician.

HEAD WELDING MACHINE MODEL TRS 3

WELDING DIAMETER from 6 to 23 mm

ELECTRIC TRANSFORMER from 20 KVA 400 V- 50 Hz

DEMO IMAGE

CURRENT SELECTOR adjustable depending on diameter to weld LOCKING DEVICE of wire through piston tires

THRUST DEVICE with pneumatic piston and pressure regulation

WITH CIRCULAR SAW - version TRS 3T

WITH CIRCULAR SAW AND COOLING SYSTEM - version TRS 3TF

PLEXIGLAS PROTECTIONS for welding and grinding, as per CE specifications

TROLLEY with 2 fixed and 2 swivel wheels

INSTALLATION AND OPERATION MANUAL included, Italian language or English

WARRANTY 12 months from delivery and covering repair and replacement of defective parts, including skilled technician labour. Warranty DOES NOT cover travel expenses, board and lodging of technician.

HEAD WELDING MACHINE MODEL TRS 3 F

WELDING DIAMETER from 6 to 23 mm

ELECTRIC TRANSFORMER from 20 KVA 400 V- 50 Hz

DEMO IMAGE

CURRENT SELECTOR adjustable depending on diameter to weld LOCKING DEVICE of wire through piston tires

THRUST DEVICE with pneumatic piston and pressure regulation

COOLING SYSTEM (version F) liquid with a closed circuit INCLUDED

PLEXIGLAS PROTECTIONS for welding and grinding, as per CE specifications

TROLLEY with 2 fixed and 2 swivel wheels

INSTALLATION AND OPERATION MANUAL included, Italian language or English

WARRANTY 12 months from delivery and covering repair and replacement of defective parts, including skilled technician labour. Warranty DOES NOT cover travel expenses, board and lodging of technician.
